- 1. Would you support a bill in line with HB 42, sponsored by Rep. Tammie Wilson, that would require a conviction before an alaskan's property could be permanently seized for violating the law?**

Response: *Yes I would support requiring a conviction before property could be seized. But we must also guarantee an accused person's right to a plea bargain and to give up property.*

- 2. Do you support net neutrality or the requirement that internet providers must equally enable access to all content and websites?**

Response: *I strongly support net neutrality and equal access to all internet content.*

- 3. Do you agree that Alaskans have the right to speak out on political issues and elections and that this right includes their ability to use their personal resources to amplify that speech?**

Response: *I strongly support freedom of speech, this includes use of personal resources to strengthen speech.*

- 4. What is your position on Voter ID and what information must be provided to register to vote or cast a ballot on election day?**

Response: *I support the current state law requirements for Voter ID when casting a ballot, which allows for voting a questioned ballot without a photo ID.*

5. Do you support allowing election day voter registration?

Response: *I support Election Day voter registration knowing the Division of Elections does an excellent job at verifying all voters.*

6. Do you support allowing voters to automatically update their information when they apply for the PFD?

Response: Yes.

7. Do you support a statewide non-discrimination ordinance to protect LBGTQ Alaskans from being fired from their jobs, denied access to housing, or refused services on the basis of their sexual orientation or gender identity?

Response: *I strongly support any legislation that protects people from discrimination of any kind.*

8. Do you support parental notification laws that deny women under the age of 18 access to abortion without the consent of an adult?

Response: No.

9. Do you support Real ID, or the federalization of DMV documents?

Response: *The federal government requires Real ID for public safety. I support the federal law.*

10. Do you believe state and local law enforcement should be using facial recognition technologies on the general public?

Response: No.

11. What is your position on the Internet Privacy Act? Do you believe the State of Alaska should act to return privacy protections overturned by President Trump on a federal level in 2017?

Response: *I strongly support technology that protects our civil liberties, including options to limit the collection of personal information, and guarantees that we have control over our private data.*

12. As marijuana has been made legal for purchase for adults over the age of 21 in Alaska, would you support removing prior convictions for marijuana related offenses that are no longer crimes from publically accessible legal databases?

Response: *Yes I support removing prior convictions for marijuana offenses that are no longer crimes.*
